SNACK POLICY

Dear Parents, עמור"ש

Yeshiva Torah Vodaas is proud to inform you that we are continuing our "snack policy". The goal of this policy is to be sensitive to children who are allergic to certain foods, as well as lowering the sugar intake throughout the day, and eliminate competition.

In order for this to happen, the Yeshiva will be providing snack for our Talmidim in Nursery - Fourth Grade every day (i.e. pretzels, aleph bais cookies, popcorn, graham crackers, etc.) If your son would like an additional fresh fruit or vegetables in addition to our snack, (not a fruit roll up, but a fresh fruit such as an apple or banana), you may send that in with him.

Also, drinks are to be limited to water bottles or fruit juice only - no sweet drinks, such as mondo or punch.

The cost for the snack is \$65.00 for the year per child. Please send in the money in the attached envelope marked "snack program" and seal it. Please send it in as soon as possible.

If you would like to send a check, please make it payable to Yeshiva Torah Vodaath.

If you have any questions, please feel free to call the Yeshiva, extension #212.

Thank you for your cooperation.
