

YESHIVA TORAH VODAATH CENTENNIAL CELEBRATION

CELEBRATING A CENTURY OF TORAH LEADERSHIP IN AMERICA

זכר צדיק לברכה

בהגיע היובל המאה של הישיבה
עלינו לזכור את אבותינו מיסדי הישיבה
ואת תפארת משפחתינו שהיה לנו ולכל ישראל לראש ולקצין
ואב רחמן לכל תלמידיו, אבינו רועינו, ודואג עלינו תמיד כל ימי חייו, ה"ה אבינו

הרה"ג הרב

חיים ישראל הלוי בעלסקי זצוקללה"ה

שהיה העמוד הימיני, ופטיש החזק של הישיבה
שבהדרכתו והשפעתו, העביר והדליק כה דברי התורה
כאש נאם ד' בלב כל תלמידיו, ולמד ליהודה קשת
ולישראל שמעתתא אליבא דהילכתא, שר התורה, חכם הרזים
העמיד תלמידים הרבה ההולכים בדרכיו להיות מורי הוראה בישראל
רבנים, מכשירים, עסקנים, מגידי שיעור, דיינים מומחים, מוהלים, שוחטים
גם הדרך כל תלמידיו להצטיין בכל מקצוע שהיו להם שייכות
להיות את המנהיגים של כלל ישראל, ואת הכל עשה לשם שמים בלי נגיעות
ובלי הוה אמינא לקבל שום פרס, ועשה חסד עם כל, אפילו עם שונאים
ושפט את ישראל בצדק, לעשות שלום בין איש ובין רעהו
היה שפל ברך ודיבר עם כולנו דברים היוצאים מהלב, ולכל אחד כפי מדרגתו
השפיע על כל מי שפגע בו ללמוד תורה ולאהוב את הבורא ברוך הוא

YESHIVA TORAH VODAAATH CENTENNIAL CELEBRATION

CELEBRATING A CENTURY OF TORAH LEADERSHIP IN AMERICA

It is our honor and privilege
to dedicate

AMERICA'S YESHIVA

THE CENTENNIAL BOOK

in commemoration of the centennial anniversary of
Yeshiva and Mesivta Torah Vodaath

The story of *Torah Vodaath*
is the story of building the foundation of a Torah world in America

It is a story of dreams and surrender

A story of hope, struggle and doubt, uncertainty, resolve and conviction, faith,
determination, tenacity and courage and a deep and enduring אמונת חכמים

It is the story of our great-grandfather

REB BINYOMIN WILHELM

who wouldn't rest until there was a Yeshiva for his son

And it is the story of the enduring vision of

REB SHRAGA FEIVEL MENDLOWITZ

who breathed life into a directionless, decaying world

Our identity is forever intertwined with *Torah Vodaath* and the Yeshiva's
successful Harbotzas Torah stands as a זכות for our family eternally

Our father

THE ROSH YESHIVA יצ"ל

and תבל"ח

OUR MOTHER שתידי

raised us in the shadow of

"the Mesivta" and "the Yeshiva"

Torah Vodaath is for us a spring of life and vitality

We wish the Yeshiva unending success in its second century

YESHIVA TORAH VODAATH CENTENNIAL CELEBRATION

CELEBRATING A CENTURY OF TORAH LEADERSHIP IN AMERICA

Tonight, Torah Vodaath is celebrating 100 years
as the Aim Hayeshivos in America

For 31 of those years, our dear

TATTY

has proudly served as its CHAIRMAN OF THE BOARD

Throughout those decades, Tatty and his dedicated colleagues
on the Executive Committee and Board
have faced good times and challenging times;
experienced euphoria and humility

From the very first day Rav Pam pressed him into service, Tatty,
with Mommy's support, displayed optimism, foresight, leadership,
grit, perseverance, and -- always -- selflessness, buoyed by the joy
that comes from toiling on behalf of the yeshiva he loves

Truly, Tatty's experience at *Torah Vodaath* has been a beautiful
paradigm for the ebb and flow of life

We could not wish for a better role model

With pride, love and thanks

YESHIVA TORAH VODAATH CENTENNIAL CELEBRATION

CELEBRATING A CENTURY OF TORAH LEADERSHIP IN AMERICA

In memory and in honor of our dear

ZAIDY BINYAMIN & BOBBA BLIMA WILHELM זי"ל

When faced with the prospect of no Jewish education
for their children in Williamsburg
Zaidy took it upon himself to establish a Yeshiva

He went door-to-door "collecting" boys
and convincing doubtful parents that a Yeshiva education
would be good for their American-born children

He prevailed and founded what would become known as
"THE MOTHER OF ALL AMERICAN YESHIVOS"

YESHIVA AND MESIVTA TORAH VODAATH

They never faltered
when it came to Yiddishkeit

They were visionaries, doers and leaders

With their mesiras nefesh
they changed the fabric of American Jewry

From them we learned, "במקום שאין איש השתדל להיות איש"

We are proud to be their grandchildren and we strive to
bring them eternal nachas by carrying on the legacy of
עוסקים בצרכי צבור with true ahavas yisroel

CELEBRATING A CENTURY OF TORAH LEADERSHIP IN AMERICA

In memory of my dear wife

RIVKAH BAS R' AVRAHAM ADLER ר"ה

My wife was part of a long chain of Torah Yidden who came
to America at the turn of the last century

My wife's grandfather

SHMUEL BINYAMIN ZEV BEN R' MEIR ADLER ז"ל

raised five boys in a small town near Flint, Michigan

They all attended public schools and afternoon Hebrew School

Three of the five were drafted into the US Army

They all remained Shomrei Torah and Mitzvos
despite all of the difficulties during the war

After the war they continued on the paths of their forefathers

They raised fine families, all Shomrei Torah and Mitzvos

My father-in-law, R' Avraham, married an East Sider
Shannah Fegel bas R' Moshe Hakohen Summer ע"ה
and opened a bicycle and carriage repair shop

He eventually moved his family and business to
Meserole Street in Williamsburg
where he serviced the Jews and gentiles until his petirah in 1970
Many old time Torah Vodaath boys remember him and his store

May we all be well and shep Torah nachas
from all of our children and grandchildren for years to come

YESHIVA TORAH VODAATH CENTENNIAL CELEBRATION

CELEBRATING A CENTURY OF TORAH LEADERSHIP IN AMERICA

Congratulations to the Hanhala, Talmidim and Alumni of our beloved
YESHIVA & MESIVTA TORAH VODAATH
on this momentous occasion

It has been the greatest honor in life
to be able to say that I am a talmid of Torah Vodaath
I was fortunate in my 13 years at Torah Vodaath to cover all the bases:

1ST BASE — 6th grade at Wilson Street

2ND BASE — 7th & 8th grades at Bedford and Taylor

3RD BASE — Mesivta & Bais Medrash at South 3rd Street

HOME — 1st graduating class at E. 9th Street (1967)

Culminating in Semicha and one year Kollel (1973)

Words are inadequate to express my Hakaras Hatov to the
Hanhala, my Rebbeim and my classmates (especially my long time
Chavrusa and dear friend **R' SRULI BLUMENFRUCHT**) for the amazing
Chinuch and Hadracha that I received in my years at the Yeshiva

I had the tremendous zechus of becoming close to so many Gedolim:

RAV YAAKOV KAMENETSKY זצ"ל

RAV GEDALIAH SCHORR זצ"ל

RAV AVROHOM PAM זצ"ל

RAV ZELIG EPSTEIN זצ"ל

RAV NESANEL QUINN זצ"ל

RAV MOSHE DOV BER RIVKIN זצ"ל

RAV YISROEL BELSKY זצ"ל

and, Yebudel L'Chaim

RAV MOSHE WOLFSON שליט"א

But my deepest gratitude goes to a man that I never met
the founder of Torah Vodaath and my all-time hero

RAV SHRAGA FEIVEL MENDLOWITZ זצ"ל

without whom we would not be here tonight celebrating this
CENTENNIAL ANNIVERSARY

Shlomo Goldner
Los Angeles, California

PS. It was the icing on the cake that I got to run Ohr Shraga from 1969 to 1971 and that
honor has stayed in the family, as my chashuve brother,
Rav Yaakov Goldner, has now run it for over 30 years

CELEBRATING A CENTURY OF TORAH LEADERSHIP IN AMERICA

לזכרון עולם יהי' נשמת אבינו רועינו

We join in paying tribute to
100 YEARS OF EXCELLENCE IN CHINUCH AT TORAH VODAATH

We were fortunate that when our father

אברהם ישישכר ז"ל

arrived in America, as an אוד מוצל מאש
Torah Vodaath was there to welcome him
and give him the platform to continue his amelius b'Torah
which was so painfully disrupted by Churban Europe

Over the years our Rosh Mishpacha never forgot the Yeshiva,
enrolled us as talmidim, served on the Board of Directors and
kept Torah Vodaath at the forefront of his tzedakah
when Hakodesh Baruch Hu blessed him
with the means to do so

Through Yeshiva Torah Vodaath, our family was fortunate to
became close to many of the Gedolei Olam
that were Roshei Yeshiva

This continues עד היום הזה with the deep keshet we are zoche
to have with "**The Mashgiach Shlita**", and are therefore
proud to dedicate Horav Wolfson's chapter in

REB YITZCHOK GOTTDIENER

Hashem bentches every generation with gifted leaders
and uniquely talented שלוחי דרחמנא

Few are capable to carry the responsibility and ongoing stress of running, building and guiding a plethora of divisions of a yeshiva as skillfully and as strategically as you have shown

For most people a 100th year Milestone Campaign alone would be a herculean task and be an overwhelming undertaking, however for Reb Yitzchok no challenge is too large, no opportunity is too small, no issue was unimportant and no task be more important than insuring the YTV מסורה continue to flourish and expand reaching unmatched heights

It's been a זכות and true experience watching you and working with you over the last year on the campaign of our yeshiva -

AMERICA'S YESHIVA

The credit is all yours as you have always taken seriously your אחריות for Torah and אחריות to Torah Vodaath as one of paramount importance

May the רבש"ע shower you and your mishpacha with only continued Nachas, gezunt, great Mazel and Bracha and most of all הרחבת הדעת

Reb Boruch Mordche Wenger and his talented staff at Artech were the messengers and architects to bring together 100 years of history in one volume

This task could have only been given to a master craftsman and creative genius

Reb Boruch Mordche, once again you have used your talents to be Mekadesh Shem Shomayim as the America's Yeshiva Story and Book is the fruit of your hard labor and the product of a true labor of love on behalf of the beautiful Yeshiva Torah Vodaath Mesorah

YESHIVA TORAH VODAATH CENTENNIAL CELEBRATION

CELEBRATING A CENTURY OF TORAH LEADERSHIP IN AMERICA

לעולם יקנה אדם חבר לעצמו...
לעילוי נשמת חברי היקר וידיד נפשי

ר' יצחק יהושע בן אברהם משה ע"ה

Shiya and I were חברים for some fifty-six years, ever since we both found ourselves together in ישיבה תורה ודעת as ישיבה בר מצוה boys. We had much in common - our family background, our upbringing, our profession, our commitment to עסקנות, our shared values in raising our children, and of course our love for Torah Vodaath and our special Rebbe פאם זצ"ל.

For the past thirty years, Shiya was an integral part of our Executive Committee. We confronted strained finances and difficult decisions together as a cohesive team. Each member was involved in different צרכי ציבור; each with his own strong opinion. Yet, when our door opened after debate, what emerged was consensus - total אחדות - איש אחד בלב אחד. Shiya's demeanor, his humor and his שכל הישר coalesced us all into one united voice.

Together with our חברים we led the resurgence in Torah Vodaath - but the path to change was difficult and complex. Shiya was a גאון in navigating each one of the issues we dealt with. He was a גאון in leadership, in energizing people, in smoothing ruffled feathers.

How sorely Shiya is missed. By me. By our close knit family of חברים. But his נחיצות is clear: His עזר כנגדו, Pearl, his lifelong שותף in every one of Shiya's endeavors; the beautiful דור he left behind; his children and grandchildren - like him - first and foremost true בני תורה. Each is a דבר; collectively they speak volumes of Shiya's character and devotion.

We at Torah Vodaath are bereft without Shiya. He is not replaceable as a partner. He is not replaceable as a friend.

A devoted Ben Torah, a tireless askan, a caring friend to all:

REB YONAH BLUMENFRUCHT ז"ל

Our family's friendship started when **Yoni** ע"ה and his brother Sruly and I came to *Torah Vodaath* as Bar Mitzvah boys and has developed over these many years

Yoni ע"ה, with the full support of his dear wife, **Fraidy** together personify chesed and askonus

A talmid of RAV PAM זצ"ל who lived his life according to the tenets and ideals which personified REBBE זצ"ל; his accomplishments in the business and askonus arenas are laudable

The next generation can only seek to emulate the way **Yoni** ע"ה and **Fraidy** have raised their children and lead their lives

How sorely **Yoni** ע"ה is missed by his family by his dear friends and by us

YESHIVA TORAH VODAATH CENTENNIAL CELEBRATION

CELEBRATING A CENTURY OF TORAH LEADERSHIP IN AMERICA

In honor of the
CENTENNIAL CELEBRATION
of
YESHIVA TORAH VODAATH

From humble beginnings, Torah Vodaath turned into
the progenitor of the model American Yeshiva
offering excellent Judaic studies coupled with
a superb secular studies department

World renowned Roshei Yeshiva graced the helm
of this fledgling institution as it transformed the
American Torah education scene

The Yeshiva was the pride and joy of the Orthodox world as it
educated thousands of talmidim who would go on to lead
and start other Torah Institutions worldwide

Torah Vodaath also produced the next generations of
Orthodox lay leadership and Baalei Batim

Its education was infused with warmth and heimishkeit.

I was just one of the lucky many who learned and studied in
its hallowed halls and I am forever grateful.

May the Yeshiva succeed and thrive in its next 100 years

A Grateful Talmid
